Box Tops for Education

Overview (Provided by Box Tops for Education Website)

Box Tops for Education has three separate program components – Clip, Shop, and Charge. (1) The Clip program allows you to earn cash for your school by clipping Box Tops for Education coupons from hundreds of participating products. (2) The Shop program allows you to earn cash for your school by shopping online through the Box Tops for Education Marketplace accessed at www.boxtops4education.com. (3) The Charge program allows you to earn cash for your school by using the Box Tops for Education Visa card issued by Chase.

What is a Box Tops Coordinator?

Like the great American melting pot, Box Tops coordinators come from all walks of life. It might be a stay-at-home Mom who manages to find a babysitter and volunteer. It might be a school teacher, dedicating both classroom hours and time off to students. It may be a member of your community, juggling a full-time job with volunteering, spending evenings and weekends counting Box Tops. One thing is for certain, Box Tops for Education wouldn't be what it is today without its Box Tops coordinators.

No matter who runs the Box Tops program at your school, each coordinator is a **parent**, a **teacher** and a community **volunteer**.

- A Box Tops Coordinator is a **parent**, secure in the knowledge that a school which has the earnings to buy what it needs provides a promising future for children.
- A Box Tops Coordinator is a **teacher**, instructing students and school supporters about how they can each make a difference through Box Tops.
- A Box Tops Coordinator is a community **volunteer**, offering heart, mind and valuable time to help your school earn the extra cash it needs.
